

## DRESS POLICY

### Policy Objectives

Uniform gives a sense of academics, equality, and discipline. To inculcate this sense, it becomes pertinent for the students to come to school nicely dressed in the prescribed uniform.

### Guiding Principles

As the students grow in school environment, they develop a lot. While they learn academics, they become role models for peers as well. What they wear gives them a feel of pride.

### School Uniform

The students are expected to come in regular school uniform except for the days mentioned below.

1. WEDNESDAY
2. CULTURAL EVENT DAY
3. ANNUAL FUNCTION DAY
